

## TRADITION CAPTAIN COOK MKIII

R33030176 | 01.764.6030.3.117

Inspired by the 1962 original, the MKIII retains the vintage look of the original, but adds a modern touch, with details such as an XXL case size and black textile strap. The box-shaped sapphire crystal glass covers a dial with a day date function. The movement features a power reserve of up to 80 hours and the MKIII is water resistant to 22 bar (220 metres).

The MKIII is prepared for whatever you encounter, whether sailing on the open sea or navigating through rush hour traffic and thus perfect for the modern gentleman explorer.
