

TRUE THINLINE DIAMONDS

R27956722 | 01.420.0956.3.072

The True Thinline could be considered the ultimate Rado timepiece. First introduced to the collection in 2011, these quartz watches are Rado's slimmest, the first to feature the groundbreaking monobloc case and are presented in full high-tech ceramic. With lightness, scratch resistance, wearer comfort – and now with the added allure of diamonds - they are designed to stand the test of time.
