

THE ORIGINAL AUTOMATIC DIAMONDS

R12413703 | 01.764.0413.3.070

In 1962, Rado revolutionised watchmaking with its scratch-resistant DiaStar. Incorporating the bold and ageless appeal of the first DiaStar, the Original bears the features and functions Rado enthusiasts know and the distinctive look they love. With a quality Swiss automatic movement at its heart and the added allure of diamonds on the dial it is, quite simply, a Rado legend.
