

TRUE THINLINE LES COULEURS™ LE CORBUSIER SPECTACULAR ULTRAMARINE 4320K

R27092622 | 01.420.6092.3.062

Blue opens up the space in a room, creating airy expansions and receding walls and objects into the distance, making them almost imperceptible. Soft and soothing, blues recall the calm of the sea and sky. Spectacular ultramarine from 1959 is an impressive colour shade which moves worlds.
